INTRODUCTION

This report provides an analysis of the financial and administrative obligations of Community Facilities District No. 2005-1 ("CFD No. 2005-1") of the Capistrano Unified School District (the "School District") resulting from the sale of the \$8,190,000 Series 2013 Special Tax Bonds (the "2013 Bonds") in November 2013 and \$12,575,000 Series 2016 Special Tax Bonds (the "2016 Bonds") in September 2016.

CFD No. 2005-1 is a legally constituted governmental entity established under the Mello-Roos Community Facilities Act of 1982 (the "Act"), as amended. The Act provides an alternative method for the financing of certain public capital facilities and services. Specifically, CFD No. 2005-1 is authorized to issue up to \$30,000,000 in bonds. The proceeds of the 2013 Bonds and 2016 Bonds will be used to finance the acquisition, construction, reconstruction, and/or modernization of various school district facilities. The non-school facilities to be financed by CFD No. 2005-1 include certain City of San Juan Capistrano facilities necessary for the development of the project. Certain facilities may also be financed through the levy of special taxes.

The bonded indebtedness of CFD No. 2005-1 is both secured and repaid through the annual levy and collection of special taxes from all property subject to the tax within the community facilities district. In calculating the special tax liability for fiscal year 2019-2020, this report not only examines the financial obligations of the current fiscal year, but also analyzes the amount of new development which has occurred within the boundaries of the community facilities district. The current outstanding principal for the 2013 Bonds and 2016 Bonds are equal to \$7,965,000 and \$12,450,000 respectively, which is based on principal paid through September 2, 2018. The 2013 Bonds and 2016 Bonds are scheduled to be paid off in the years 2043 and 2046, respectively. Pursuant to the First Amended Rate and Method of Apportionment ("RMA"), the special tax shall be levied each year to fully satisfy the special tax requirement, but in no event shall it be levied after fiscal year 2051-2052. The RMA is included in Appendix D.

A map showing the property in CFD No. 2005-1 is included in Appendix A.

This report is organized into the following sections:

Section I

Section I provides an update of the development activity occurring within CFD No. 2005-1. All new building permit activity is identified, including cumulative figures for "Developed Property."

Section II

Section II examines the financial activity in the funds and accounts established pursuant to the First Supplement to Fiscal Agent Agreement dated May 1, 2016, between CFD No. 2005-1 and U.S. Bank National Association (the "Fiscal Agent Agreement"). A year-to-date

summary illustrating all disbursements, special tax receipts and interest earnings of the 2013 Bonds and 2016 Bonds is provided.

Section III

Section III analyzes the fiscal year 2018-2019 special tax levy.

Section IV

Section IV determines the financial obligations of CFD No. 2005-1 for fiscal year 2019-2020.

Section V

Section V reviews the methodology used to apportion the special tax requirement between Developed Property and Undeveloped Property.

I SPECIAL TAX CLASSIFICATIONS AND DEVELOPMENT UPDATE

A Special Tax Classifications

The methodology employed to calculate and apportion the special tax is contained in a document entitled the First Amended and Restated Rate and Method of Apportionment of the Special Tax. The First Amended and Restated Rate and Method of Apportionment defines five categories of taxable property, namely “Developed Property,” “Taxable Property Owner Association Property,” “Taxable Public Property,” “Taxable Religious Property,” and “Undeveloped Property.” The category of Developed Property is in turn divided into nine separate rate classifications which vary with land use (e.g., residential and non-residential) and dwelling unit type and size for residential development. Developed Property classifications are shown in Table 1 below.

Table 1: Developed Property Classifications

Special Tax Class	Land Use	Square Footage
Class 1	Custom Lot Property	Not Applicable
Class 2	Residential Property	Greater than 4,600 s.f.
Class 3	Residential Property	4,301 - 4,600 s.f.
Class 4	Residential Property	3,901 - 4,300 s.f.
Class 5	Residential Property	3,701 - 3,900 s.f.
Class 6	Residential Property	3,401 - 3,700 s.f.
Class 7	Residential Property	2,901 - 3,400 s.f.
Class 8	Residential Property	2,900 s.f. or Less
Class 9	Non-Residential Property	Not Applicable

Developed Property is generally distinguished from Undeveloped Property by the issuance of a building permit. However, custom lots (designated as lots 141 through 155 of tract 16634) are considered Developed Property when escrow has closed to an owner other than Rancho San Juan Development LLC or a building permit has been issued for such property. Specifically, property for which a building permit was issued or for which escrow has closed to an owner other than Rancho San Juan Development LLC, as applicable, prior to January 1 will be classified as Developed Property in the following fiscal year. For example, all property in CFD No. 2005-1 for which building permits were issued or custom lots for which escrow has closed to an owner other than Rancho San Juan Development LLC prior to January 1, 2019 will be classified as Developed Property in fiscal year 2019-2020. Hence, the development research discussed below focuses on the period ending January 1, 2019.

B Development Update

CFD No. 2005-1 encompasses approximately 279 gross acres of land in the Capistrano Unified School District. Of this acreage, approximately 60 acres are expected to be developed into uses subject to a Mello-Roos special tax levy. The property within CFD No.

2005-1 has been developed with 140 single-family residential units. An additional 15 custom homes may be developed in the future.

Background research was conducted to determine the amount and type of development activity that occurred during the previous fiscal year. Review of the City of San Juan Capistrano’s building permit records indicated that prior to January 1, 2019, building permits for 140 residential units had been issued within CFD No. 2005-1. According to the Orange County Assessor, as of January 1, 2019, all of the custom lots were still owned by Rancho San Juan Development LLC. In addition, the owner of one residential lot prepaid his special tax obligation in full in December 2013; this parcel is not considered taxable property and is not subject to the CFD special tax in fiscal year 2019-2020 and for each subsequent year. As a result, there are 139 units of Residential Property that will be subject to the special tax in fiscal year 2019-2020. A total of 11.59 gross acres in the district are considered Undeveloped Property.

Table 2 below lists the aggregate amount of Developed Property by special tax classification.

II SOURCES AND USES OF FUNDS

A Description of Funds and Accounts

The Fiscal Agent Agreement for the 2013 and 2016 Bonds established eight funds for CFD No. 2005-1. They are the Special Tax Fund, Administrative Expense Fund, Bond Fund, Reserve Fund, Construction Fund, Redemption Fund, Rebate Fund, and Surplus Facilities Fund. Within the Special Tax Fund, a Prepayment Account was created. Within the Bond Fund, an Interest Account and Principal Account were created. Within the Construction Fund, a Cost of Issuance Account, a School Facilities Account, and a City Facilities Account were created. Within the School Facilities Account, a Project Subaccount and an Incremental Payment Subaccount were created. Within the Redemption Fund, an Optional Redemption Account, Sinking Fund, Redemption Account, and Mandatory Redemption Account were created. Within the Surplus Facilities Fund, a Schools Account and City Account were created. All funds, accounts, and subaccounts for CFD No. 2005-1 are shown in Chart 1.

All special tax receipts are deposited in the Special Tax Fund. Monies in the Special Tax Fund are allocated based on the priority set forth below (see Chart 2):

1. **Administrative Expense Fund** - an amount specified in writing by the Community Facilities District, up to the Administrative Expense Requirement;
2. **Interest Account of the Bond Fund** - an amount such that the balance in the Interest Account one Business Day prior to each Interest Payment Date shall be equal to the installment of interest due on the 2013 and 2016 Bonds on said Interest Payment Date. Monies in the Interest Account shall be used for the payment of interest on the 2016 Bonds as the same become due;
3. **Principal Account of the Bond Fund** - an amount up to the amount needed to make the principal payment due on the 2013 and 2016 Bonds during the current Bond Year;
4. **Sinking Fund Redemption Account of the Redemption Fund** - an amount up to the amount needed to make the Mandatory Sinking Payments due on the 2013 and 2016 Bonds during the current Bond Year;
5. **Reserve Fund** - the amount, if any, necessary to replenish the Reserve Fund to the Reserve Requirement;
6. **Administrative Expense Fund** - to the extent there are additional Administrative Expenses, the amount specified in writing by the School District required to bring the balance therein to the amount needed to pay such Administrative Expenses;
7. **Surplus Facilities Fund** - all money remaining in the Special Tax Fund after the above five disbursements are made will be transferred to the Surplus Facilities Fund at the end of the Bond Year. Pursuant to the First Amended and Restated Joint Community Facilities District Agreement, prior to the issuance of all bonds, 60% of the funds in the Surplus

Facilities Fund shall be disbursed to finance School District facilities and 40% shall be disbursed to finance City facilities. Of the 40% disbursed to the City, 12% of the funds will be disbursed to finance additional City Facilities and 88% will be disbursed to the landowner.

The Reserve Requirement is an amount equal to the lesser of (i) ten percent (10.00%) of the original proceeds of the Bonds, (ii) maximum annual debt service on the Bonds, or (iii) one hundred twenty-five percent (125.00%) of the average annual debt service on the Bonds. The current Reserve Requirement is equal to \$1,681,227.

The Costs of Issuance Fund was created exclusively to pay the costs of issuance on the 2016 Bonds. On the last business day that is no later than six months after the closing date, the fiscal agent shall transfer any amount remaining in the Costs of Issuance Account to the Construction Fund and, upon making such transfer, the Costs of Issuance Account shall be closed.

Monies held in any of the aforementioned funds and accounts can be invested by the Fiscal Agent at the direction of the School District and in conformance with the limitations set forth in the Fiscal Agent Agreement. Investment interest earnings, if any, will generally be credited to the fund or account for which the investment was made.

The diagram on the following page illustrates the flow of special tax revenues for CFD No. 2005-1.

III FISCAL YEAR 2018-2019 SPECIAL TAX LEVY

The special tax levy for CFD No. 2005-1 for fiscal year 2018-2019 equaled \$1,077,126. As of July 24, 2019, \$1,048,172 in special taxes had been collected by the County. A total of \$28,954 in special taxes are delinquent, resulting in a delinquency rate of approximately 2.69 percent.

As a participant in the Teeter Program, the Community Facilities District will receive an apportionment from the County equal to the delinquent unpaid special taxes for fiscal year 2018-2019. This apportionment is anticipated to occur early in fiscal year 2019-2020.

CFD No. 2005-1 has covenanted to commence foreclosure proceedings against (i) parcels with delinquent special taxes in excess of \$15,000 and (ii) all properties with delinquent special taxes if the delinquency rate exceeds five percent. Notwithstanding the foregoing, the Community Facilities District may elect to defer foreclosure proceedings on any parcel of developed property which is owned by a delinquent property owner whose property is not, in the aggregate, delinquent in the payment of special taxes in an amount in excess of \$15,000 so long as (1) the amount in the Reserve Account is at least equal to the reserve requirement, and (2) with respect to the 2013 Bonds and 2016 Bonds, the Community Facilities District is not in default in the payment of the principal of or interest on the 2013 Bonds and 2016 Bonds.

Based on the current level of delinquencies, no foreclosure action is required.

IV FISCAL YEAR 2019-2020 SPECIAL TAX REQUIREMENT

As directed by the School District, the special taxes are levied to achieve 110% debt service coverage on the 2013 Bonds and 2016 Bonds (taking the fiscal year 2018-2019 surplus into account). Therefore, the fiscal year 2019-2020 special tax requirement is equal to \$1,066,974 and is calculated as follows:

2. The Reserve Requirement increases from \$1,696,407 to \$1,711,964 on September 1, 2020. Amount shown is the increase needed to meet the 2020 Reserve Requirement, based on the fund balance as of June 30, 2019.

The components of the fiscal year 2019-2020 gross special tax requirement are shown graphically on the following page.

Figure 3: Fiscal Year 2019-2020 Gross Special Tax Requirement

Total Fiscal Year 2018-2019 Gross Special Tax Requirement: \$1,190,121

V METHOD OF APPORTIONMENT

A Maximum Special Taxes

The amount of special taxes that CFD No. 2005-1 may levy is strictly limited by the maximum special taxes set forth in the First Amended and Restated Rate and Method of Apportionment. The initial assigned special taxes for each classification of Developed Property are specified in Table 1 of Section C of the First Amended and Restated Rate and Method of Apportionment¹. These special taxes escalate by two percent each fiscal year.

B Apportionment of Special Taxes

The special tax that is apportioned to each parcel is determined through the application of Section D of the First Amended and Restated Rate and Method of Apportionment. Section D apportions the special tax requirement in four steps which prioritize the order in which Developed Property and Undeveloped Property are taxed.

The first step states that the special tax shall be levied against each parcel of Developed Property at 100 percent of the assigned special tax. If the special taxes raised pursuant to the first step are less than the special tax requirement, then the second step is applied. The second step states that the special tax shall be levied against all parcels of Undeveloped Property at up to 100 percent of the applicable maximum special tax per acre.

The third and fourth steps are designed to accommodate changes in land use and are intended to be used only as a last resort. Since actual land uses have not substantially deviated from the original projections, these steps are not necessary.

Application of the maximum special taxes under the first step generates special tax revenues of \$1,207,729 from Developed Property, which is sufficient to meet all obligations for CFD No. 2005-1 for fiscal year 2019-2020 as outline in Section IV. Therefore, the fiscal year 2019-2020 special tax levied against each parcel of Developed Property is equal to approximately 88.35 percent of the applicable maximum special tax for such parcel.

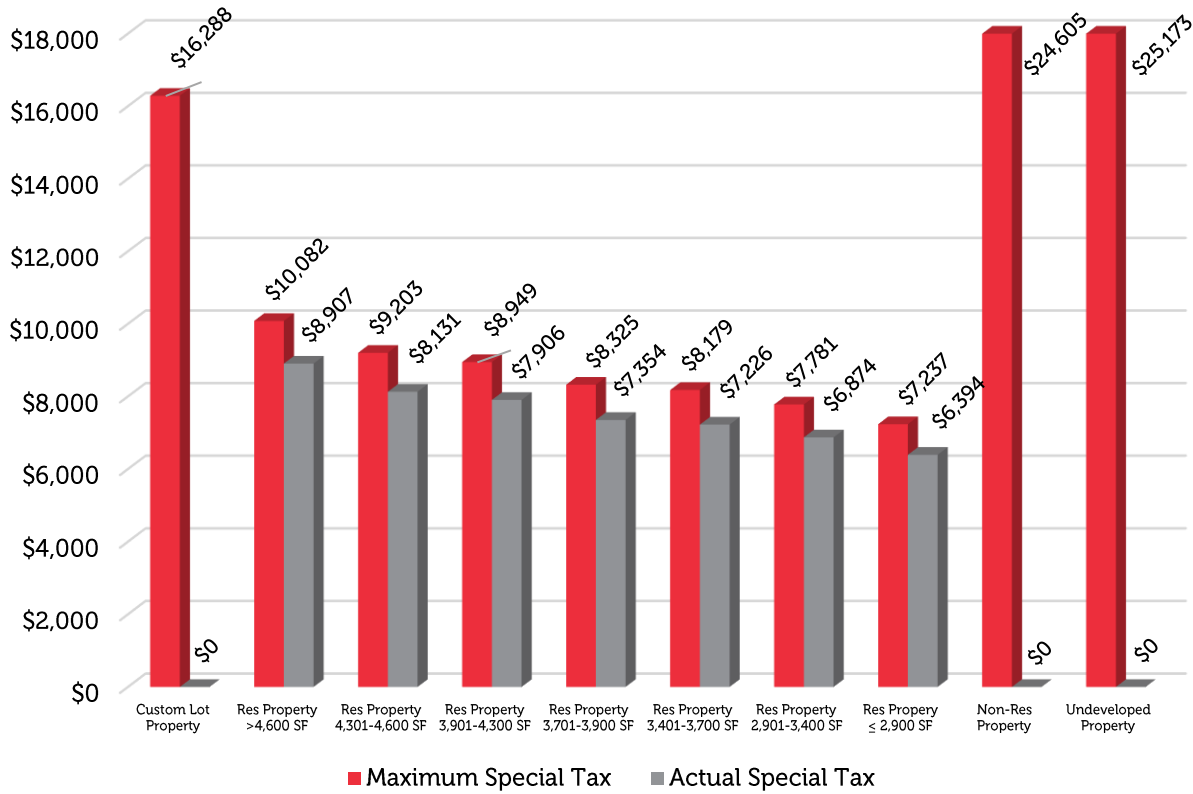

The fiscal year 2019-2020 special taxes for each classification of Developed Property and Undeveloped Property are shown in the table and graphically on the following pages. The Special Tax Roll which lists the actual special tax levied against each parcel of Developed Property is shown in Appendix E.

¹ Technically, Section C states that the maximum special tax for a parcel of Developed Property is equal to the greater of (i) the "Backup Special Tax" or (ii) the Assigned Special Tax. In this report, all discussion of maximum tax rates for Developed Property focuses on the Assigned Special Tax.

8	≤ 2,900 SF	Residential Property	\$6,177 per unit
9	N/A	Non-Residential Property	\$21,000 per Acre

c. Increase in the Assigned Special Tax

The Assigned Special Taxes in Table 1 shall be applicable for Fiscal Year 2011-12, and shall increase thereafter, commencing on July 1, 2012 and on July 1 of each Fiscal Year thereafter, by an amount equal to two percent (2%) of the Assigned Special Tax for the previous Fiscal Year.

d. Multiple Land Use Classes

In some instances an Assessor's Parcel of Developed Property may contain more than one Land Use Class. The Assigned Special Tax levied on an Assessor's Parcel shall be the sum of the Assigned Special Taxes for all Land Use Classes located on that Assessor's Parcel. The Maximum Special Tax that can be levied on an Assessor's Parcel shall be the sum of the Maximum Special Taxes that can be levied for all Land Use Classes located on that Assessor's Parcel. For an Assessor's Parcel that contains both Residential Property and Non-Residential Property, the Acreage of such Assessor's Parcel shall be allocated to each type of property based on

the amount of Acreage designated for each land use as determined by reference to the site plan approved for such Assessor's Parcel. The CFD Administrator's allocation to each type of property shall be final.

e. Backup Special Tax

(1) Residential Property (Excluding Custom Lot Property)

The Backup Special Tax for Residential Property excluding Custom Lot Property, shall equal \$21,485 per Acre for Fiscal Year 2011-12. The Backup Special Tax shall increase thereafter, commencing on July 1, 2012 and on July 1 of each Fiscal Year thereafter, by an amount equal to two percent (2%) of the Backup Special Tax for the previous Fiscal Year.

(2) Custom Lot Property

The Backup Special Tax for Custom Lot Property shall equal \$13,902 per lot for Fiscal Year 2011-12. The Backup Special Tax shall increase thereafter, commencing on July 1, 2012 and on July 1 of each Fiscal Year thereafter, by an amount equal to two percent (2%) of the Backup Special Tax for the previous Fiscal Year.

Notwithstanding the foregoing, if all or any portion of the Custom Lot Property is subsequently changed or modified in a manner that results in fewer than 15 custom lots, the Backup Special Tax for each Assessor's Parcel of Custom Lot Property that is changed or modified shall be a rate per Acre calculated as follows:

1. Determine the total Backup Special Tax anticipated to apply to the changed or modified portion of the Custom Lot Property prior to the change or modification.
2. Divide the amount determined pursuant to paragraph 1 above by the taxable Acreage of the Custom Lot Property which is expected to be located in such changed or modified area, as determined by the CFD Administrator.
3. The resulting quotient is the Backup Special Tax per Acre, which shall be applicable to Assessor's Parcels of Custom Lot Property in such changed or modified area.

The Backup Special Tax per Acre shall increase thereafter on each July 1, by an amount equal to two percent (2%) of the Backup Special Tax per Acre for the previous Fiscal Year.

2. Undeveloped Property, Taxable Property Owner Association Property, Taxable Public Property and Taxable Religious Property

a. Maximum Special Tax

The Maximum Special Tax for Undeveloped Property, Taxable Property Owner Association Property, Taxable Public Property and Taxable Religious Property in CFD No. 2005-1 shall be \$21,485 per Acre for Fiscal Year 2011-12, and shall increase thereafter, commencing on July 1, 2012 and on July 1 of each Fiscal Year thereafter, by an amount equal to two percent (2%) of the Maximum Special Tax for the previous Fiscal Year.

D. METHOD OF APPORTIONMENT OF THE SPECIAL TAX

Commencing with Fiscal Year 2011-12 and for each following Fiscal Year, the Board shall levy the Special Tax as follows:

First: The Special Tax shall be levied on each Assessor's Parcel of Developed Property at 100% of the applicable Assigned Special Tax;

Second: If additional monies are needed to satisfy the Special Tax Requirement after the first step has been completed, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Undeveloped Property at up to 100% of the Maximum Special Tax for Undeveloped Property;

Third: If additional monies are needed to satisfy the Special Tax Requirement after the first two steps have been completed, then the levy of the Special Tax on each Assessor's Parcel of Developed Property whose Maximum Special Tax is determined through the application of the Backup Special Tax shall be increased Proportionately from the Assigned Special Tax up to the Maximum Special Tax for each such Assessor's Parcel;

Fourth: If additional monies are needed to satisfy the Special Tax Requirement after the first three steps have been completed, then the Special Tax shall be levied Proportionately on each Assessor's Parcel of Taxable Property Owner Association Property, Taxable Public Property or Taxable Religious Property at up to the Maximum Special Tax for Taxable Property Owner Association Property, Taxable Public Property or Taxable Religious Property.

Notwithstanding the above, under no circumstances will the Special Tax levied against any Assessor's Parcel of Residential Property for which an occupancy permit for private residential use has been issued be increased by more than ten percent as a consequence of delinquency or default by the owner of any other Assessor's Parcel within CFD No. 2005-1.

E. EXEMPTIONS

No Special Taxes shall be levied on Public Property, Religious Property, and Property Association Property, so long as the Acreage of Taxable Property within CFD No. 2005-1 is at least 58.71 Acres. Tax-exempt status will be assigned by the CFD Administrator in the chronological order in which property becomes Property Owner Association Property, Public Property or Religious Property. However, should an Assessor's Parcel no longer be classified as Property Owner Association Property, Public Property or Religious Property, its tax-exempt status will be revoked.

To the extent that the exemption of an Assessor's Parcel of Public Property, Religious Property, or Property Association Property would reduce the Acreage of Taxable Property within CFD No. 2005-1 below 58.71 Acres, such Assessor's Parcel shall be classified as Taxable Public Property, Taxable Religious Property, or Taxable Property Association Property, as applicable, and shall be subject to the levy of the Special Tax and shall be taxed as part of the fourth step in Section D above, at up to 100% of the applicable Maximum Special Tax for Taxable Property Owner Association Property, Taxable Public Property or Taxable Religious Property.

F. REVIEW/APPEAL COMMITTEE

The Board shall establish as part of the proceedings and administration of CFD No. 2005-1 a special three-member Review/Appeal Committee. Any landowner or resident who feels that the amount of the Special Tax levied on their Assessor's Parcel is in error may file a notice with the Review/Appeal Committee appealing the amount of the Special Tax levied on such Assessor's Parcel. The Review/Appeal Committee shall interpret this Rate and Method of Apportionment and make determinations relative to the annual administration of the Special Tax and any landowner or resident appeals, as herein specified. The decision of the Review/Appeal Committee shall be final and binding as to all persons.

G. MANNER OF COLLECTION

The Special Tax shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes; provided, however, that CFD No. 2005-1 may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet its financial obligations, and may covenant to foreclose and may actually foreclose on delinquent Assessor's Parcels as permitted by the Act.

H. PREPAYMENT OF SPECIAL TAX

The following definitions apply to this Section H:

“CFD Public Facilities” means either \$15.8 million in 2011 dollars, which shall increase by the Construction Inflation Index on July 1, 2012, and on each July 1 thereafter, or such lower number as (i) shall be determined by the CFD Administrator as sufficient to provide the public facilities to be provided by CFD No. 2005-1 under the authorized financing program for CFD No. 2005-1, or (ii) shall be determined by the Board concurrently with a covenant that it will not issue any more Bonds to be supported by Special Taxes levied under this Rate and Method of Apportionment as described in Section D.

“Construction Fund” means an account specifically identified in the Indenture to hold funds which are currently available for expenditure to acquire or construct public facilities eligible under the Act.

“Construction Inflation Index” means the annual percentage change in the Engineering News-Record Building Cost Index for the City of Los Angeles, measured as of the calendar year which ends in the previous Fiscal Year. In the event this index ceases to be published, the Construction Inflation Index shall be another index as determined by the CFD Administrator that is reasonably comparable to the Engineering News-Record Building Cost Index for the City of Los Angeles.

“Future Facilities Costs” means the CFD Public Facilities minus (i) public facility costs previously paid from the Construction Fund; (ii) moneys currently on deposit in the Construction Fund; and (iii) moneys currently on deposit in an escrow fund, if any, that are expected to be available to finance public facilities costs.

“Outstanding Bonds” means all Previously Issued Bonds which are deemed to be outstanding under the Indenture after the first interest and/or principal payment date following the current Fiscal Year.

“Previously Issued Bonds” means all Bonds that have been issued by CFD No. 2005-1 prior to the date of prepayment.

1. Prepayment in Full

All Assessor’s Parcels of Developed Property and Assessor’s Parcels of Undeveloped Property for which a building permit has been issued may be prepaid. The Special Tax obligation applicable to such Assessor’s Parcel in CFD No. 2005-1 may be fully prepaid and the obligation of the Assessor’s Parcel to pay the Special Tax permanently satisfied as described herein; provided that a prepayment may be made only if there are no delinquent Special Taxes with respect to such Assessor’s Parcel or any other Assessor’s Parcel owned by such owner at the time of prepayment. An owner of an Assessor’s Parcel intending to prepay the Special Tax obligation shall provide the CFD Administrator with written notice of intent to prepay. Within 30 days of receipt of such written notice, the CFD Administrator shall notify such owner of the prepayment amount of such Assessor’s Parcel. The CFD Administrator will

charge a fee to the owner requesting prepayment for providing this figure. Prepayment must be made not less than 45 days prior to the next occurring date that notice of redemption of Bonds from the proceeds of such prepayment may be given to the Trustee pursuant to the Indenture.

The Prepayment Amount (defined below) shall be calculated as summarized below (capitalized terms as defined below):

	Bond Redemption Amount
plus	Redemption Premium
plus	Future Facilities Amount
plus	Defeasance Amount
plus	Administrative Fees and Expenses
less	Reserve Fund Credit
less	<u>Capitalized Interest Credit</u>
Total: equals	Prepayment Amount

As of the proposed date of prepayment, the Prepayment Amount (defined below) shall be calculated as follows:

Paragraph No.:

1. Confirm that no Special Tax delinquencies apply to such Assessor's Parcel.
2. For Assessor's Parcels of Developed Property compute the Assigned Special Tax and Backup Special Tax applicable for the Assessor's Parcel to be prepaid. For Assessor's Parcels of Undeveloped Property (for which a building permit has been issued), compute the Assigned Special Tax and Backup Special Tax for that Assessor's Parcel as though it was already designated as Developed Property, based upon the building permit which has already been issued for that Assessor's Parcel.
3. (a) Divide the Assigned Special Tax computed pursuant to paragraph 2 by the total estimated Assigned Special Taxes for the entire CFD No. 2005-1 based on the Developed Property Special Taxes which could be charged in the current Fiscal Year on all expected development through buildout of CFD No. 2005-1, excluding any Assessor's Parcels which have been prepaid, and

(b) Divide the Backup Special Tax computed pursuant to paragraph 2 by the estimated Backup Special Taxes at buildout of CFD No. 2005-1 using the Backup Special Tax amount for the current Fiscal Year, excluding any Assessor's Parcels which have been prepaid.
4. Multiply the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the Outstanding Bonds to compute the amount of Outstanding Bonds to be retired and prepaid (the "Bond Redemption Amount").

5. Multiply the Bond Redemption Amount computed pursuant to paragraph 4 by the applicable redemption premium, if any, on the Outstanding Bonds to be redeemed (the "Redemption Premium").
6. Compute the current Future Facilities Costs.
7. Multiply the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the amount determined pursuant to paragraph 6 to compute the amount of Future Facilities Costs to be prepaid (the "Future Facilities Amount").
8. Compute the amount needed to pay interest on the Bond Redemption Amount from the first bond interest and/or principal payment date following the current Fiscal Year until the earliest redemption date for the Outstanding Bonds.
9. Determine the Special Taxes levied on the Assessor's Parcel in the current Fiscal Year which have not yet been paid.
10. Compute the minimum amount the CFD Administrator reasonably expects to derive from the reinvestment of the Prepayment Amount less the Future Facilities Amount and the Administrative Fees and Expenses from the date of prepayment until the redemption date for the Outstanding Bonds to be redeemed with the prepayment.
11. Add the amounts computed pursuant to paragraphs 8 and 9 and subtract the amount computed pursuant to paragraph 10 (the "Defeasance Amount").
12. Verify the administrative fees and expenses of No. 2005-1, including the costs of computation of the prepayment, the costs to invest the prepayment proceeds, the costs of redeeming Bonds, and the costs of recording any notices to evidence the prepayment and the redemption (the "Administrative Fees and Expenses").
13. The reserve fund credit (the "Reserve Fund Credit") shall equal the lesser of:
(a) the expected reduction in the reserve requirement (as defined in the Indenture), if any, associated with the redemption of Outstanding Bonds as a result of the prepayment, or
(b) the amount derived by subtracting the new reserve requirement (as defined in the Indenture) in effect after the redemption of Outstanding Bonds as a result of the prepayment from the balance in the reserve fund on the prepayment date, but in no event shall such amount be less than zero.
14. If any capitalized interest for the Outstanding Bonds will not have been expended at the time of the first interest and/or principal payment following the current Fiscal Year, a capitalized interest credit shall be calculated by multiplying the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the expected

balance in the capitalized interest fund after such first interest and/or principal payment (the "Capitalized Interest Credit").

15. The Special Tax prepayment is equal to the sum of the amounts computed pursuant to paragraphs 4, 5, 7, 11 and 12, less the amounts computed pursuant to paragraphs 13 and 14 (the "Prepayment Amount").
16. From the Prepayment Amount, the amounts computed pursuant to paragraphs 4, 5, 11, 13 and 14 shall be deposited into the appropriate fund as established under the Indenture and be used to retire Outstanding Bonds or make debt service payments. The amount computed pursuant to paragraph 7 shall be deposited into the Construction Fund. The amount computed pursuant to paragraph 12 shall be retained by CFD No. 2005-1.

The Prepayment Amount may be sufficient to redeem other than a \$5,000 increment of Bonds. In such cases, the increment above \$5,000 or integral multiple thereof will be retained in the appropriate fund established under the Indenture to be used with the next prepayment of bonds or to make debt service payments.

As a result of the payment of the current Fiscal Year's Special Tax levy as determined under paragraph 9 (above), the CFD Administrator shall remove the current Fiscal Year's Special Tax levy for such Assessor's Parcel from the County tax rolls. With respect to any Assessor's Parcel that is prepaid, the Board shall cause a suitable notice to be recorded in compliance with the Act, to indicate the prepayment of Special Taxes and the release of the Special Tax lien on such Assessor's Parcel, and the obligation of such Assessor's Parcel to pay the Special Tax shall cease.

2. Prepayment in Part

The Maximum Special Tax on an Assessor's Parcel of Developed Property or an Assessor's Parcel of Undeveloped Property for which a building permit has been issued may be partially prepaid. The amount of the prepayment shall be calculated as in Section H.1; except that a partial prepayment shall be calculated according to the following formula:

$$PP = (P_E - A) \times F + A$$

These terms have the following meaning:

PP = the partial prepayment

P_E = the Prepayment Amount calculated according to Section H.1

F = the percent by which the owner of the Assessor's Parcel(s) is partially prepaying the Maximum Annual Special Tax.

A = the Administration Fees and Expenses from Section H.1

The owner of an Assessor's Parcel who desires to partially prepay the Maximum Special Tax shall notify the CFD Administrator of such owner's intent to partially prepay the Maximum Special Tax and the percentage by which the Maximum Special Tax shall be prepaid. The CFD Administrator shall provide the owner with a statement of the amount required for the partial prepayment of the Maximum Special Tax for an Assessor's Parcel within 30 days of the request and will charge a fee to the owner requesting prepayment for providing this figure.

With respect to any Assessor's Parcel that is partially prepaid, the School District shall (i) distribute the funds remitted to it according to Paragraph 16 of Section H.1. and (ii) indicate in the records of CFD No. 2005-1 that there has been a partial prepayment of the Maximum Special Tax and that a portion of the Maximum Special Tax equal to the outstanding percentage (1.00 - F) of the remaining Maximum Special Tax shall continue to be authorized to be levied on such Assessor's Parcel pursuant to Section D.

Notwithstanding the foregoing, no full or partial Special Tax prepayment shall be allowed unless the amount of Assigned Special Taxes that may be levied on Taxable Property within CFD No. 2005-1 both prior to and after the proposed prepayment, less expected Administrative Expenses, is at least 1.1 times the maximum annual debt service on all Outstanding Bonds.

I. TERM OF SPECIAL TAX

The Special Tax shall be levied for the period necessary to fully satisfy the Special Tax Requirement, but in no event shall it be levied after Fiscal Year 2051-52.
